

## Annex 5 to the Call Conditions

### List of Previous Projects

Please note that only consortia<sup>1</sup> **projects that meet all five of the criteria** listed below will be taken into consideration for assessment of the coordinator's operational capacity.

#### A project eligible to prove the coordinator's operational capacity:

- 1) was managed by the coordinator<sup>2</sup> (as a legal entity);
- 2) involved beneficiaries (an applicant/coordinator and co-applicant) from at least two different countries;
- 3) lasted at least 12 months;
- 4) had a total budget of more than EUR 200 000;
- 5) was implemented and finished within the last five years (30 September 2021 – 29 September 2026).

Accordingly, please provide information in the table below only about those projects that meet the aforementioned five criteria.

| No.   | Project number and title | Name of the coordinating entity | Other beneficiaries of the project <sup>3</sup> | Countries of other project beneficiaries | Total project budget (in euro) | Year(s) of project duration and its implementation<br>(30 September 2021 – 29 September 2026) <sup>4</sup> | Funding instrument/ programme and a link to its official website (if available) or the name of the supporting document(s) <sup>5</sup> |
|-------|--------------------------|---------------------------------|---|--|--------------------------------|--|--|
|       | (1)                      | (2)                             | (3)   | (4)                                      | (5)                            | (6)  | (7)  |
| 1.    |                          |                                 | BEN1  | COUNTRY1                                 |                                |  | <ul style="list-style-type: none"> <li>- Website</li> <li>- Funding decision</li> <li>- Grant Agreement</li> <li>- Other</li> </ul>    |
|       |                          |                                 | BEN2  | COUNTRY2                                 |                                |  |  |
|       |                          |                                 | BEN3  | COUNTRY3                                 |                                |  |  |
| 2.    |                          |                                 |   |  |                                |  |  |
| (...) |                          |                                 |   |  |                                |  |  |

<sup>1</sup> As defined in the Glossary of the Call Conditions

<sup>2</sup> As defined in the Glossary of the Call Conditions

<sup>3</sup> Please insert as many rows as necessary, taking into account the number of other beneficiaries.

<sup>4</sup> Please indicate the year(s) in which the project mentioned in column 1 was implemented (only include those projects that were finished by 29 September 2026).

<sup>5</sup> Evidence can include funding decisions, grant agreements and any other documents containing all the required information (5 operational capacity criteria). To facilitate assessment, the documents should be provided with an English translation. If a link to a website is provided, it should be an official website of the funding instrument/programme, containing all the required information about 5 operational capacity criteria.
